To whom it may concern,

CGA District 5, The Late Night Riders have proudly served gymkhana riders since 1988. During that time we have been able to give away thousands of dollars worth of awards. Our goal is to build sportsmanship, horsemanship and character through competition and the hard work that is required to succeed in this exciting sport. We offer competition at all levels of ability from Lead-line through AAA+ and Supreme Champion riders at the Rio Linda Horse Arena on Elkhorn Blvd. The Club puts on between 15 and 20 shows each year. Riders range in age from as young as three years old to our seniors over eighty. It is truly a family sport with parents, grandparents, children, grandchildren, friends and neighbors all riding and working together to put on the shows. Spectators are welcome at no charge and parking is free.

The Late Night Riders is seeking donations to help with the expenses of the shows and awards. All money goes to pay for show expenses and the proceeds are returned to the riders as awards. In addition the club makes donations to the Rio Linda Elverta Recreation and Parks District to help in the maintenance of the arena grounds.

The Late Night Riders is one of over 30 CGA Districts statewide running an all volunteer program for the benefit of gymkhana riders. There is no paid staff or workers. All aspects of the shows are run by volunteers.

District 5 is a nonprofit, tax exempt 501(c)(7) corporation. Our EIN is 68-0380925. District 5 is NOT a tax deductible organization. Your donation may be deductible as a business or advertising expense. Please consult with your tax advisor before claiming any deductions.
